Overall

Holly Bourne's 2000 Nursing MCQs is a comprehensive review and practice tool for nursing students preparing for the NCLEX-RN exam. The book includes a wide range of topics and question types, making it an essential resource for anyone preparing for the exam. However, students should be aware that the book can be overwhelming for some students and that some questions may be too difficult for students who are not yet prepared for the NCLEX-RN exam.

Insights from Nurses and Educators

"I used Holly Bourne's 2000 Nursing MCQs to prepare for the NCLEX-RN exam and I found it to be a very helpful resource. The questions were challenging and helped me to identify areas where I needed to improve my knowledge. I would highly recommend this book to any nursing student preparing for the NCLEX-RN exam." - Jennifer Smith, RN

"I have used Holly Bourne's 2000 Nursing MCQs in my nursing classes for several years and I have found it to be a valuable resource. The questions

are well-written and cover a wide range of topics. I would highly recommend this book to any nursing instructor looking for a comprehensive review tool for their students." - Dr. Mary Johnson, RN, PhD

Detailed Information on the Topics Covered

Holly Bourne's 2000 Nursing MCQs covers a wide range of topics, including:

* Medical-Surgical Nursing * Maternal-Child Nursing * Psychiatric-Mental Health Nursing * Community Health Nursing * Leadership and Management

Each topic area is divided into several subtopics, which are then covered in detail in the book.

Types of Questions Included

Holly Bourne's 2000 Nursing MCQs includes a variety of question types, including:

* Multiple-choice questions * True/False questions * Fill-in-the-blank questions * Short answer questions * Essay questions

The questions are designed to test students' knowledge of the nursing content, as well as their ability to apply that knowledge to real-world situations.

Holly Bourne's 2000 Nursing MCQs is a comprehensive review and practice tool for nursing students preparing for the NCLEX-RN exam. The book includes a wide range of topics and question types, making it an

essential resource for anyone preparing for the exam. However, students should be aware that the book can be overwhelming for some students and that some questions may be too difficult for students who are not yet prepared for the NCLEX-RN exam.
