## Chapter 1: The Art of Being Slippery

The first rule of bureaucracy is: be slippery. This means being able to slide through the cracks, avoid obstacles, and get things done without being noticed. It means being able to change your mind at a moment's notice, and to adapt to any situation.

There are many ways to be slippery. One way is to be invisible. This means avoiding attention and keeping a low profile. Don't make waves, and don't get involved in office politics. Another way to be slippery is to be ambiguous. This means being able to say one thing and mean another, and to keep your options open. Never give a straight answer, and always leave yourself room to maneuver.

## **Chapter 2: The Art of Getting Things Done**

The second rule of bureaucracy is: get things done. This is easier said than done, but it's essential if you want to survive and thrive in the bureaucratic jungle. The key is to find a way to get things done without ruffling any feathers.

There are many ways to get things done in bureaucracy. One way is to build relationships. This means getting to know the people who can help you, and building trust with them. Another way to get things done is to use your resources wisely. This means knowing what resources are available to you, and how to use them to your advantage.

## **Chapter 3: The Art of Surviving and Thriving**

The third rule of bureaucracy is: survive and thrive. This means being able to adapt to the bureaucratic environment, and to find ways to make it work for you. It means being able to handle stress, and to stay motivated even when the going gets tough.

There are many ways to survive and thrive in bureaucracy. One way is to be positive. This means looking for the good in every situation, and focusing on the things that you can control. Another way to survive and

thrive is to be resilient. This means being able to bounce back from setbacks, and to learn from your mistakes.
