## What You'll Need

To crochet your own American Girl ice skater doll, you'll need the following materials:

- Worsted weight yarn in your desired color
- Crochet hook size H/8 (5 mm)

- Yarn needle
- Scissors
- Stuffing
- Doll eyes
- Wig or yarn for hair
- Embroidery thread for details

## Step-by-Step Instructions

Once you have all of your materials, you're ready to start crocheting your ice skater doll. Here are the step-by-step instructions:

1. **Head:** Start by crocheting a magic ring. Then, crochet 6 single crochet stitches into the ring. Pull the ring closed and join with a slip stitch to the first single crochet stitch.
2. **Body:** Continue crocheting in the round, increasing the number of stitches in each round until you have a circle that is about 4 inches in diameter. Then, crochet straight up without increasing for about 4 inches.
3. **Legs:** Divide the stitches in half and crochet each leg separately. Crochet straight up for about 4 inches, then decrease the number of stitches in each round until you have a circle that is about 2 inches in diameter. Stuff the legs and sew them to the body.
4. **Arms:** Crochet 2 arms in the same way as the legs. Stuff the arms and sew them to the body.

5. **Skirt:** Crochet a circle that is about 6 inches in diameter. Then, crochet a row of single crochet stitches around the edge of the circle. Fold the circle in half and sew the sides together to create a skirt.
6. **Skates:** Crochet 2 rectangles that are about 2 inches long and 1 inch wide. Fold each rectangle in half and sew the sides together to create a skate.
7. **Hair:** Attach a wig or yarn to the head of the doll.
8. **Details:** Embroider eyes, a nose, and a mouth on the face of the doll. You can also add other details, such as a headband, scarf, or gloves.

Congratulations! You've now crocheted your very own American Girl ice skater doll. With a little bit of creativity, you can customize your doll to make her truly unique. So get creative and have fun!
